## Mac Vray For Sketchup Crack Full

A: The Sketchup Main File is in the SketchUp Application folder. The folder may not be in the same place as the sketchup.exe. Check your download site to be sure. You might have to close the sketchup.exe, then exit (unload) then go into the sketchup application folder, and open the Sketchup.sqlite file. It should be in the same location as the Sketchup.exe file.
