HACKER UPDATED: This is an update to my old
hack. This one has a GUI that i have hard coded to
be easy to use. That's right, this hack was coded
in notepad. Yes it works now but i coded it so you
dont have to use my source. This works with no
survey no password no download. You do however
need a copy of the.exe. You're responsible for all

your games. I've never asked for info and I never will. All I ask is that if you're downloading a cracked game make sure to credit me if you're going to make money off of it. I'm sure you don't want to harm me after all. So feel free to download this hack. I'm sure you enjoy it a lot. Now, if you agree with what I'm saying, copy this link: <http://www.gamboinews.com/idle-hacker-ii/?p=225ec8ef588b>
